## BE PART OF THE SKDEAS 5TH BIENNIAL FAMILY MEETING

July 15-18, 2026 · Philadelphia, PA

Dear Friend,

Skraban-Deardorff Syndrome is so rare that most families spend years before they meet another family with the same diagnosis. The SKDEAS Biennial Family Meeting is where they find each other.

### OUR LARGEST GATHERING YET

# 250+

participants, in person and virtual

This July 15-18 in Philadelphia, families will travel from across the country, and around the world, for four days of clinic visits, scientific talks, expert panels, and the rare chance to find others who understand. For families navigating **Skraban-Deardorff Syndrome**, a rare neurodevelopmental disorder, this event is far more than a conference.

*“It is a lifeline.”*

We are seeking sponsors to help cover meals, medical specialist travel, participant materials, photography, and A/V support. Every sponsorship keeps registration free for families and ensures no one is turned away.
